PAYMENT PLAN FOR TUITION

Please note: The Tuition Payment Plan has a \$1,000 minimum.

Our payment plan helps make a high-quality Oak Meadow education possible for more families by allowing them to spread payments out over time. Families pay 40% down at the time of enrollment and the remaining amount is divided into six easy monthly payments. (For families enrolling in a single semester, payments are made over three months.) FACTS, our tuition management company, charges a one-time \$41 fee for this interest-free payment plan. Please call our office for more information.

Start Dates for both new enrollments and re-enrollments are typically set at least 14 days from the date you call to enroll, in order to allow time for the necessary materials to arrive.

- A Welcome Packet is included with your curriculum materials that contains all teacher information, a Verification of Enrollment letter, and a comprehensive Parent Handbook outlining the unique nature of distance learning and important school policies.

We accept Visa, MasterCard, Discover, and American Express credit cards. We also accept personal checks, e-checks, and money orders. Please do not send cash. All returned checks are subject to a \$20.00 processing fee. Canadian and other foreign checks must be drawn on U.S. funds. We do not offer a payment plan for curriculum only; to learn more about our payment plan for enrolled families, please see the first page of this insert.

SHIPPING INFORMATION

Orders will be processed (pending credit card approval) within 48 hours, if placed Monday-Thursday. Orders placed Friday-Sunday will be processed the next business day. Orders placed early in the day are often shipped the very same day.

Please note: Order processing time is 7-14 days during the months of May, June, August, and September.

CURRICULUM RETURNS & REFUNDS

When your curriculum arrives, plan to set aside time to look through everything carefully. Make sure that your order is complete and accurate, that the curriculum is what you expected, and that you feel confident it will work well for you and your children. **You have a 30-day evaluation period** after your curriculum arrives to examine it carefully and determine if it is the right fit for you and your children. If you have any concerns during this period, call or email us so we can answer your questions or discuss the options available to you.

If you decide during this 30-day period that you wish to return any of your course materials, we'll give you a full refund of your purchase price if the materials are in like-new condition. Records are not refundable. We do not refund shipping and handling charges. To return your curriculum, you must obtain a Return Merchandise Authorization number (RMA) from the office (call or email us). We must receive your curriculum within two weeks of issuing this number. Detailed instructions regarding how to package and ship your returned materials will be provided to you with your RMA number.

ENROLLMENT WITHDRAWAL POLICY

Many new families find distance education a unique approach to learning. We want to provide sufficient time for you to explore this method and be sure it is a good fit for your family. To facilitate this, **you are expected to begin the Oak Meadow program on your Start Date, completing one lesson per week and submitting two lessons to your teacher after two weeks.** This will provide time for your Oak Meadow teacher to engage with you and your child, review the work, and provide feedback. **We offer a 60-day evaluation period from your Start Date to evaluate the distance learning experience.**

During this period, if you are considering withdrawing from Oak Meadow, please call the office and speak to one of our Enrollment Counselors. The Enrollment Counselor will work with you to discuss your options, which include a change in grade level, teacher re-assignment, withdrawal from the school and homeschooling with the curriculum, or withdrawing from the school and returning the curriculum. Should you decide that withdrawal is the best course, refunds of tuition will be made as follows:

If you have made full payment—and withdraw within 60 days, we will refund the full tuition you paid, less a 20% processing fee.

If you are enrolled in the payment plan—and withdraw within 60 days, we will refund the initial payment(s), less a 30% processing fee.

If you decide to withdraw from the school and keep the curriculum materials, or if the materials are not in new condition, we will deduct the full price of the curriculum materials from your refund.
