

Latin II

The primary focus of this course is translation of works written in Latin. In addition, using readings and activities in a wide variety of topics, students learn more about the culture of the Roman people. Our updated Latin program includes the CD audio component and the Omnibus Workbook which help to keep the student actively engaged in the learning process of learning language and culture.

Prerequisite: Latin I.

The following materials are needed for this course:

Oak Meadow Latin II Syllabus
Latin Course II text (Cambridge University Press)
Cambridge Latin II Audio CD
Latin II Omnibus Workbook (Cambridge University Press)

Lesson 19

As the second semester begins, we continue with Alexandria and Stage 17.

Day One

Listen to Track 13 of your CD as you read "Ad Templum" on **page 98**. Provide a written translation of this passage through line 19. Study the vocabulary on page 99.

Day Two

Read "Mercator Arabs" on **page 100**, and summarize the first three paragraphs in writing. Study the list on page 101 for help with vocabulary.

Day Three

Today, turn to the "Practicing the Language" section on **page 102**, and complete exercises B and C in writing.

Day Four

Continuing with "Practicing the Language," complete exercise D on **page 103**. Write out the subject and appropriate verb for each sentence. Then, study the information and map of Alexandria on page 104.

Day Five

Today you'll begin your cultural and historical research into the city of Alexandria. For today, read **pages 105-106** of the "Alexandria" article, making sure to take proper notes in your notebook.
