Lesson 1

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Practice reading aloud.
- Review word families.

Social Studies

- Reflect and write about story themes.
- Experiment with tangrams.
- Explore mask making.

Math

- Play math games.
- Use math in daily household activities.

Science

- Play games that involve the senses.
- Learn about how animals use senses.
- Explore the concept of territory.

Arts & Crafts

- Create a seasonal table.
- Make a treasure box.
- Begin crocheting a scarf.

Music

- Learn the F note on the recorder.
- Sing a variety of songs.

Health

- Complete an activity on body differences.

Learning Assessment

These assessment rubrics are intended to help you track your child's progress throughout the year. Please remember that these skills continue to develop over time. Use this space to make notes about the learning your child demonstrates or skills that need work.

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Retells story events in sequence				
Writes a story summary of one or more sentences				
Reads aloud with confidence				
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				
Memorizes and recites verses				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
<p>Please describe how your child created the story-summary sentences in the assignments this week. For instance, did your child copy sentences composed by you, dictate sentences for you to write and then copy them, or write original text? Did your child write a practice copy first, to which you made corrections before they wrote the sentences in the MLB? There are so many options for supporting children in their writing. Please use this space to clarify what (if any) assistance was necessary for the final draft.</p>

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				

MATH	Developing	Consistent	Competent	Notes
Shows facility with counting in games				
Uses simple addition and subtraction in the context of daily life				
Uses simple multiplication and division in the context of daily life				
Sorts, measures, counts, and categorizes in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Demonstrates sensory awareness				
Describes sensory impressions				
Shows familiarity with how animals use senses				
Demonstrates understanding of concept of territorial behavior				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Begins crocheting		
Creates seasonal table		
Plays tunes on the recorder using F note		
Demonstrates awareness of body differences and diversity		

Lesson 2

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Review PL consonant blend.
- Differentiate between consonant blends.
- Review short and long vowel sounds.
- Practice reading aloud.

Social Studies

- Reflect and write about story themes.
- Play a coin-toss game.
- Use mask to act out story.

Math

- Identify straight and curved forms.
- Explore form drawing.

Science

- Observe and write about ants.

Arts & Crafts

- Do a watercolor painting.
- Continue crocheting a scarf.

Music

- Learn “Raindrops” on the recorder.
- Sing a variety of songs.

Health

- Complete an activity on anatomy.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Retells story events in sequence				
Writes a story summary of one or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				
Memorizes and recites verses				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
<p>Please describe how your child created the story-summary sentences in the assignments this week. For instance, did your child copy sentences composed by you, dictate sentences for you to write and then copy them, or write original text? Did your child write a practice copy first, to which you made corrections before they wrote the sentences in the MLB? There are so many options for supporting children in their writing. Please use this space to clarify what (if any) assistance was necessary for the final draft.</p>

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				

MATH	Developing	Consistent	Competent	Notes
Draws form drawings with consistency and symmetry				
Shows facility with counting in games				
Uses simple addition and subtraction in the context of daily life				
Uses simple multiplication and division in the context of daily life				
Sorts, measures, counts, and categorizes in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Demonstrates focused observational skills				
Describes observations				
Records anecdotal observations				
Shows familiarity with how animals use senses				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Knows how to crochet		
Paints with watercolors		
Plays songs on the recorder		
Demonstrates knowledge of anatomy		

Lesson 3

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Make up verses with CH and CL words.
- Play a game with the CH sound.

Social Studies

- Reflect and write about story themes.
- Practice oral storytelling.

Math

- Move in a mirror image.
- Practice mirroring in form drawing.

Science

- Journal about bird observations.
- Listen to bird song.

Arts & Crafts

- Make a Grapefruit Bird Feeder.
- Continue crocheting a scarf.

Music

- Learn “Merrily We Roll Along” on the recorder.
- Experiment with rhythm and rhyme.

Health

- Complete an activity about disease prevention.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of one syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				
Memorizes and recites verses				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
<p>Please describe how your child created the story-summary sentences in the assignments this week. For instance, did your child copy sentences composed by you, dictate sentences for you to write and then copy them, or write original text? Did your child write a practice copy first, to which you made corrections before they wrote the sentences in the MLB? There are so many options for supporting children in their writing. Please use this space to clarify what (if any) assistance was necessary for the final draft.</p>

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Draws mirrored form drawings				
Draws form drawings with consistency and symmetry				
Demonstrates forms through movement				
Uses simple addition and subtraction in the context of daily life				
Uses simple multiplication and division in the context of daily life				
Sorts, measures, counts, and categorizes in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Demonstrates focused observational skills				
Describes observations				
Records anecdotal observations				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of disease prevention		

Lesson 4

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Experiment with consonants in speech.
- Reconstruct words beginning with CR and DR.

Social Studies

- Reflect and write about story themes.
- Act out the story of Anansi.
- Create a family history picture book.

Math

- Move in a mirror image.
- Draw a mirror image that crosses the center line.

Science

- Journal about animal observations.
- Research an animal.
- Create an animal collage.

Arts & Crafts

- Make a watercolor painting.
- Continue crocheting a scarf.

Music

- Learn “Skipping Along” on the recorder.
- Play a hand-clapping call-and-response game.

Health

- Complete an activity about illness and home care.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of one syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				
Memorizes and recites verses				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Draws simple mirrored form drawings				
Draws mirrored form drawings that cross the center line				
Draws form drawings with consistency and symmetry				
Demonstrates forms through movement				
Uses simple addition and subtraction in the context of daily life				
Uses simple multiplication and division in the context of daily life				
Sorts, measures, counts, and categorizes in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records anecdotal observations				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of home care during illness		

Lesson 5

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Read poetry.
- Identify words starting with FL and BR.

Social Studies

- Reflect and write about story themes.
- Play oral storytelling games.
- Create a family history picture book.
- Present the family history in oral storytelling tradition.

Math

- Move in a mirror image.
- Draw a horizontally aligned mirror image.

Science

- Record observations of cooperation in nature.
- Play a cooperative game.

Arts & Crafts

- Make an Everlasting Calendar or Ribbon Bookmarks.
- Continue crocheting a scarf.

Music

- Practice “Scale Exercises” on the recorder.

Health

- Complete an activity about medical supplies.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Draws mirrored form drawings in horizontal format				
Draws mirrored form drawings in vertical format				
Draws form drawings with consistency and symmetry				
Demonstrates forms through movement				
Uses simple addition and subtraction in the context of daily life				
Uses simple multiplication and division in the context of daily life				
Sorts, measures, counts, and categorizes in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Demonstrates awareness of cooperation in nature				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				

SCIENCE (continued)	Developing	Consistent	Competent	Notes
Records anecdotal observations				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of home care during illness		

Lesson 6

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Read and memorize poetry.
- Copy and recite a poem.
- Make up sentences with FR and GL words.

Social Studies

- Reflect and write about story themes.
- Create a new language.
- Make a quill pen and homemade ink.

Math

- Review the four processes in story form.
- Transfer story problems to numeric equations.
- Write vertical and horizontal equations.
- Solve mental math problems.

Science

- Create a chart to track daily rhythms.
- Record data over time.

Arts & Crafts

- Write a poem on a painted background.
- Complete the crocheted scarf.

Music

- Learn “Exercise for E” on the recorder.

Health

- Review activities related to Unit I: Physical Body.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Creates an original language				
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Solves addition and subtraction problems in vertical format				
Solves multiplication problems in vertical format				
Solves division problems				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Records data over time				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				

SCIENCE (continued)	Developing	Consistent	Competent	Notes
Records observations in sketch and text form				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of the physical body		

Lesson 7

ASSIGNMENT SUMMARY

Language Arts

- Read and memorize poetry.
- Set a poem to music.
- Make up a story.
- Write words starting with GR and BL.
- Identify consonant blends at the beginning of words.

Social Studies

- Reflect and write about story themes.
- Discuss life experiences with following your instincts.
- Test your instincts and reflexes.

Math

- Demonstrate the 2 times table with manipulatives.
- Skip count by twos.

- Write the 2 times table.
- Skip count by fours.
- Write the 4 times table.

Science

- Track rhythms in plants and animals.
- Compare human rhythms to nature's rhythms.
- Make predictions based on observations.

Arts & Crafts

- Make a traditional Bridget doll.

Music

- Learn "Lazy Mary" on the recorder.

Health

- Complete an activity about personal safety.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Creates an original story				
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Differentiates between consonant blends				
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of 2 times table				
Demonstrates knowledge of 4 times table				
Solves addition and subtraction problems in vertical formats				
Transfers story problems to numeric equations				
Solves multiplication problems in vertical format				
Solves division problems				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Records data over time				
Makes comparisons based on data				

SCIENCE (continued)	Developing	Consistent	Competent	Notes
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of the physical body		

Lesson 8

ASSIGNMENT SUMMARY

Language Arts

- Recite a poem from memory.
- Make a book about Paddy Muskrat.
- Identify consonant blends in words.

Social Studies

- Reflect and write about story themes.
- Find a special place in nature.

Math

- Recite the 2 and 4 times tables.
- Practice the 10 times table.
- Practice the 5 times table.
- Solve equations using times tables.

Science

- Sort leaves according to different categories.
- Press leaves to preserve them.
- Identify and label the leaves.
- Consider ways in which trees are used.

Arts & Crafts

- Make handcrafted paper.

Music

- Learn “It’s Raining, It’s Pouring” on the recorder.

Health

- Complete an activity about community safety.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Creates an original story				
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				
Identifies consonant blends in spoken words				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of 5 times table				
Demonstrates knowledge of 10 times table				
Demonstrates knowledge of 2 times table				
Demonstrates knowledge of 4 times table				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of community safety		

Lesson 9

ASSIGNMENT SUMMARY

Language Arts

- Summarize a fable.
- Identify words beginning with SH and SL.
- Play a word-building game.

Social Studies

- Consider your family's lifestyle.
- Describe family rhythms.
- Gather family stories.
- Create a family history book.

Math

- Practice skip counting by threes and sixes.
- Explore the 3 and 6 times tables.
- Practice skip counting by 2, 4, 5, and 10.
- Solve equations using times tables.

Science

- Set up an experiment about plant growth.
- Create a chart and record data.
- Discuss experiment results.

Arts & Crafts

- Make a watercolor thank-you note.
- Choose a craft project.

Music

- Learn "This Is My Cat" on the recorder.

Health

- Complete an activity about trusted people.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Creates an original story				
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				
Differentiates between consonant blends				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Identifies consonant blends in spoken words				
Identifies short and long vowel sounds				
Demonstrates familiarity with word families				
Recognizes a variety of one-syllable words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Acts out a story				
Shows familiarity with family history				
Demonstrates oral storytelling				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of 3 times table				
Demonstrates knowledge of 6 times table				
Demonstrates knowledge of 5 and 10 times tables				
Demonstrates knowledge of 2 and 4 times tables				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				

SCIENCE <i>(continued)</i>	Developing	Consistent	Competent	Notes
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of community safety		

Lesson 10

ASSIGNMENT SUMMARY

Language Arts

- Summarize a fable.
- Write a descriptive paragraph.
- Play a movement game using consonant blends.

Social Studies

- Use a compass to determine cardinal directions.
- Draw a compass rose.
- Explore maps and map legends.
- Use cardinal directions to find something.

Math

- Make a patterning block.
- Demonstrate the pattern of the times tables.
- Draw the times patterns.

Science

- Hear stories about interactions in nature.
- Draw illustrations related to nature stories.
- Create a chart and record data.

Arts & Crafts

- Choose a craft project.

Music

- Learn “My Birthday Party” on the recorder.

Health

- Complete an activity about keeping a clean room.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes a descriptive paragraph				
Creates an original story				
Memorizes and recites a poem				
Retells story events in sequence				
Writes a story summary of two or more sentences				
Reads aloud with confidence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES
Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates knowledge of cardinal directions				
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Shows familiarity with family history				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of 3 times table				
Demonstrates knowledge of 6 times table				
Demonstrates knowledge of 5 and 10 times tables				
Demonstrates knowledge of 2 and 4 times tables				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				
Draws details of observations				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of how to keep a room clean		

Lesson 11

ASSIGNMENT SUMMARY

Language Arts

- Act out a fable.
- Write an opinion paragraph.
- Write alliterative sentences.
- Do a visual imagery spelling exercise.

Social Studies

- Locate countries on a globe.
- Draw a map of ancient China.
- Identify cardinal and ordinal directions.
- Compare map changes over time.

Math

- Introduce place value.
- Write numbers 1–999.

- Identify values of digits in a number.
- Write the 100 times table.

Science

- Hear stories about interactions in nature.
- Design a garden.
- Draw and label two types of plants.

Arts & Crafts

- Create puppets and a puppet theater.

Music

- Learn “Swimming” on the recorder.
- Play hand-clapping games.

Health

- Learn about EMTs and paramedics.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Locates places on a globe or world map				
Demonstrates knowledge of cardinal directions				

SOCIAL STUDIES <i>(continued)</i>	Developing	Consistent	Competent	Notes
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Shows familiarity with family history				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of place value to 100				
Writes numbers 1–999				
Demonstrates knowledge of 3 times table				
Demonstrates knowledge of 6 times table				
Demonstrates knowledge of 5 times table				
Demonstrates knowledge of 10 times table				
Demonstrates knowledge of 2 times table				
Demonstrates knowledge of 4 times table				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				

MATH (continued)	Developing	Consistent	Competent	Notes
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of EMTs and paramedics		

Lesson 12

ASSIGNMENT SUMMARY

Language Arts

- Act out a fable.
- Create a storybook.
- Write a paragraph about musical experiences.
- Review SW and TH consonant blends.
- Play a memory concentration game.

Social Studies

- Discuss the climate of Africa.
- Explore daily life in Africa.
- Draw a map of Africa.

Math

- Write numbers in expanded form.
- Recite numbers 1,000–9,999.

- Explore place value up to hundred thousands.
- Practice saying and writing six-digit numbers.

Science

- Observe squirrel behavior.
- Make a list of information and questions.

Arts & Crafts

- Create a seasonal table.

Music

- Learn “Lindy Loo” on the recorder.

Health

- Review activities related to Unit II: Personal Safety.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Identifies connection between lifestyle and climate region				
Locates places on a globe or world map				
Demonstrates knowledge of cardinal directions				

SOCIAL STUDIES <i>(continued)</i>	Developing	Consistent	Competent	Notes
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				
Demonstrates awareness of social or cultural details of story				
Makes connections between story themes and real life				
Shows familiarity with family history				

MATH	Developing	Consistent	Competent	Notes
Demonstrates knowledge of place value to 100,000				
Recites numbers up to 9,999				
Demonstrates knowledge of 3 times table				
Demonstrates knowledge of 6 times table				
Demonstrates knowledge of 5 times table				
Demonstrates knowledge of 10 times table				
Demonstrates knowledge of 2 times table				
Demonstrates knowledge of 4 times table				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				

MATH <i>(continued)</i>	Developing	Consistent	Competent	Notes
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Crochets		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of personal safety		

Lesson 13

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Write an original story.
- Review TR and TW consonant blends.

Social Studies

- Draw different climate regions.
- Indicate locations on a map.
- Draw a map legend.

Math

- Explore place value up to hundred millions.
- Identify the value of individual digits.
- Write numbers in expanded form.
- Practice the times tables.

Science

- Identify animals based on descriptions.
- Make a set of animal cards.
- Research animal habits and habitats.

Arts & Crafts

- Begin making a calendar.
- Choose a clay project.

Music

- Learn “Exercise for D” on the recorder.

Health

- Complete an activity about essential nutrients.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes an opinion paragraph				
Writes a descriptive paragraph				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Recognizes a variety of words on sight

Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of how to keep a room clean		

Lesson 14

ASSIGNMENT SUMMARY

Language Arts

- Act out a scene.
- Write a story summary.
- Identify words in the ATE and ORE word families.
- Write a rhyming verse.

Social Studies

- Locate continents and oceans on both a globe and world map.
- Compare locations on a globe.
- Make a list of the continents and oceans.

Math

- Explore carrying in addition.
- Demonstrate the process of carrying.
- Solve problems involving carrying.

Science

- Identify animals based on descriptions.
- Play an animal card game.
- Make an animal book.

Arts & Crafts

- Add February page to calendar.
- Choose two clay projects.

Music

- Learn “Hush Little Baby” on the recorder.

Health

- Complete an activity about eating habits.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes a rhyming verse				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words

Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of how to keep a room clean		

Lesson 15

ASSIGNMENT SUMMARY

Language Arts

- Act out a scene.
- Write a descriptive paragraph.
- Write about a clay project.
- Write a rhyming verse.
- Play a game with word families and consonant blends.

Social Studies

- Locate the UK and Ireland on a globe or map.
- Draw a map of the British Isles and Ireland.

Math

- Practice the times tables (2–6 and 10).
- Identify the value of digits in nine-digit numbers.
- Incorporate the use of zero in large numbers.

- Use carrying in addition to four digits.
- Solve problems involving carrying.

Science

- Learn about the honeybee.
- Form a honeycomb out of beeswax.

Arts & Crafts

- Add March page to calendar.
- Choose two clay projects.

Music

- Learn “Here We Go Round the Mulberry Bush” on the recorder.

Health

- Complete an activity about cooking and kitchen safety.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes a rhyming verse				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes

Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of cooking and kitchen safety		

Lesson 16

ASSIGNMENT SUMMARY

Language Arts

- Act out a scene.
- Write a descriptive paragraph.
- Make up a new story scene.
- Memorize a rhyming verse.
- Play a word-building game.

Social Studies

- Identify locations related to Columcille's travels.
- Trace a route on a map.
- Draw a map legend.
- Compare geography of Ireland and Scotland.

Math

- Identify addition number bonds that equal 10.
- Play a number bond game.

- Practice adding and subtracting by 10.
- Practice adding and subtracting by 9.

Science

- Learn about animal homes.
- Form a weaver ant nest.
- Make a termite castle.

Arts & Crafts

- Add April page to calendar.
- Choose two clay projects.

Music

- Learn "Old King Cole" on the recorder.

Health

- Complete an activity about exercise and sleep.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Writes a rhyming verse				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a story summary of three or more sentences

Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of exercise and sleep needs		

Lesson 17

ASSIGNMENT SUMMARY

Language Arts

- Begin memorizing a poem.
- Copy poems and add an artistic element.
- Write a story summary.

Social Studies

- Examine details on a regional map.
- Describe the local climate.
- Illustrate a favorite time of year.

Math

- Classify and sort similar objects.
- Classify and sort objects in different ways.
- Create a series of paintings to classify.

Science

- Observe a spider's web.
- Draw a picture of a spider web.
- Make a God's Eye.

Arts & Crafts

- Add May page to calendar.
- Choose two clay projects.

Music

- Learn "Old MacDonald" on the recorder.
- Experiment with using different beats for hands and feet.

Health

- Complete an activity about relaxation techniques.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of stress management		

Lesson 18

ASSIGNMENT SUMMARY

Language Arts

- Work on memorization skills.
- Copy poems and add an artistic element.
- Write a story summary.
- Play a game with sight words.

Social Studies

- Explore ancestry.
- Locate ancestral countries of origin on a map.
- Draw pictures related to ancestral countries.

Math

- Review the first semester of math.

Science

- Learn about nests and nesting behaviors.
- Weave a nest from natural materials.

Arts & Crafts

- Add June page to calendar.
- Choose two clay projects.

Music

- Learn “Itsy Bitsy Spider” on the recorder.
- Experiment with using different beats for hands and feet.

Health

- Review activities from Unit III: Healthy Habits.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of healthy habits		

Lesson 19

ASSIGNMENT SUMMARY

Language Arts

- Work on recitation skills.
- Copy a poem.
- Write an animal description.
- Identify words with long and short A sounds.
- Continue reading silently and aloud.

Social Studies

- Retell a story of ancient Ireland.
- Identify natural resources.
- Collect natural resources for a nature scene.

Math

- Review the first semester of math.
- Solve problems in oral and written form.
- Review times tables learned so far.

- Practice number bonds.
- Solve addition problems that involve carrying.

Science

- Observe birds and learn about weaverbirds.
- Make a woven potholder or other weaving project.

Arts & Crafts

- Add July page to calendar.
- Choose one craft and one clay project.

Music

- Learn “Exercise for C” on the recorder.

Health

- Complete an activity about good sportsmanship.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences in the assignments this week. For instance, did your child copy sentences composed by you, dictate sentences for you to write and then copy them, or write original text? Did your child write a practice copy first, to which you made corrections before they wrote the sentences in the MLB? There are so many options for supporting children in their writing. Please use this space to clarify what (if any) assistance was necessary for the final draft.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Identifies examples of natural resources				
Shows familiarity with ancestry				
Identifies location of home on a country map				
Demonstrates knowledge of continents and oceans				
Locates continents and oceans on a globe and map				
Shows differences between geographic regions				
Identifies connection between lifestyle and climate region				
Locates places on a globe or world map				
Demonstrates knowledge of cardinal and ordinal directions				
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				

MATH	Developing	Consistent	Competent	Notes
Sorts and classifies objects in numerous ways				
Identifies number bonds up to 20				
Identifies number bonds up to 10				
Adds and subtracts by 10				
Adds and subtracts by 20				
Uses carrying in addition				
Demonstrates knowledge of place value to 100,000,000				
Writes numbers in expanded form				
Demonstrates knowledge of 2 and 4 times tables				
Demonstrates knowledge of 3 and 6 times tables				
Demonstrates knowledge of 5 and 10 times tables				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of good sportsmanship		

Lesson 20

ASSIGNMENT SUMMARY

Language Arts

- Recite a memorized poem.
- Write the memorized poem.
- Write about imaginary travels.
- Identify words with long and short E sounds.
- Continue reading silently and aloud.

Social Studies

- Describe a scene from ancient China.
- Identify human resources.

Math

- Draw horizontal and vertical mirrored forms.
- Practice mental math.

Science

- Learn about swiftlets and barn swallows.
- Build a nest out of mud.

Arts & Crafts

- Add August page to calendar.
- Choose one craft and one clay project.

Music

- Learn “Scale Exercises” on the recorder.

Health

- Complete an activity about individuality.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of concept of individuality		

Lesson 21

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Write a descriptive paragraph.
- Write about a topic of interest.
- Identify words with long and short I sounds.

Social Studies

- Retell a story of ancient Africa.
- Identify capital resources.

Math

- Draw a series of form drawings.
- Make up original forms.

Science

- Learn about five types of habitats.
- Make a habitat collage.
- Play an animal identification game.

Arts & Crafts

- Add September page to calendar.
- Choose one craft and one clay project.

Music

- Learn “Pop! Goes the Weasel” on the recorder.

Health

- Complete an activity about self-advocacy.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: SENTENCES AND PARAGRAPHS
Please describe how your child created the written portion of the assignments this week. Use this space to clarify what (if any) assistance was necessary for the final draft.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Identifies examples of capital resources				
Identifies examples of human resources				
Identifies examples of natural resources				
Shows familiarity with ancestry				
Identifies location of home on a country map				
Demonstrates knowledge of continents and oceans				
Locates continents and oceans on a globe and map				
Shows differences between geographic regions				
Identifies connection between lifestyle and climate region				
Locates places on a globe or world map				
Demonstrates knowledge of cardinal and ordinal directions				
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				

MATH	Developing	Consistent	Competent	Notes
Sorts and classifies objects in numerous ways				
Identifies number bonds up to 20				
Identifies number bonds up to 10				
Adds and subtracts by 10				

MATH <i>(continued)</i>	Developing	Consistent	Competent	Notes
Adds and subtracts by 20				
Uses carrying in addition				
Demonstrates knowledge of place value to 100,000,000				
Writes numbers in expanded form				
Demonstrates knowledge of 2 and 4 times tables				
Demonstrates knowledge of 3 and 6 times tables				
Demonstrates knowledge of 5 and 10 times tables				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				

SCIENCE (continued)	Developing	Consistent	Competent	Notes
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates self-advocacy skills		

Lesson 22

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Write about a topic of interest.
- Identify words with long and short O sounds.

Social Studies

- Identify examples of resources in the community.
- Show connections between different types of resources.
- Identify sources of materials in the home.

Math

- Say and write the 8 times table.
- Demonstrate and draw the 8 times table pattern.
- Create a star chart to track learning.

Science

- Learn about vertebrates and invertebrates.
- Identify examples of vertebrates and invertebrates.
- Play an animal identification game.

Arts & Crafts

- Add October page to calendar.
- Choose two craft or clay projects.

Music

- Learn “A Tisket, A Tasket” on the recorder.

Health

- Complete an activity about death and dying.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of death and dying		

Lesson 23

ASSIGNMENT SUMMARY

Language Arts

- Act out a scene from a story.
- Write an original story.
- Identify words with long and short U sounds.

Social Studies

- Retell a story about ancient Mali.
- Explore different types of commerce.
- Experiment using the silent method of trade.
- Begin planning a market stand.

Math

- Demonstrate and draw the 9 and 7 times tables patterns.
- Say and write the 9 and 7 times tables.
- Continue using the star chart to track learning.

Science

- Learn about cold- and warm-blooded animals.
- Identify examples of cold- and warm-blooded animals.
- Conduct an experiment to prove humans are warm-blooded.

Arts & Crafts

- Add November page to calendar.
- Choose two craft or clay projects.

Music

- Learn “Twinkle, Twinkle, Little Star” on the recorder.

Health

- Complete an activity about anger resolution.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of anger resolution		

Lesson 24

ASSIGNMENT SUMMARY

Language Arts

- Write specific story details.
- Act out a scene from a story.
- Write a description of a craft project.
- Identify sounds made by the letter Y.

Social Studies

- Retell a story about ancient Ireland.
- Explore early use of money.
- Continue planning a market stand.

Math

- Demonstrate and draw the 11 and 12 times tables patterns.
- Say and write the 11 and 12 times tables.
- Continue using the star chart to track learning.

Science

- Search for and learn about animal tracks.
- Experiment with different methods of animal locomotion.

Arts & Crafts

- Add December page to calendar.
- Choose two craft or clay projects.

Music

- Learn “The Heather on the Hillside” on the recorder.
- Experiment with tempo.

Health

- Review activities from Unit IV: Self-Esteem.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Acts out a story				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: STORY-SUMMARY SENTENCES

Please describe how your child created the story-summary sentences this week. Use this space to clarify what (if any) assistance was necessary.

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Demonstrates familiarity with early forms of money				
Shows knowledge of different types of commerce				
Identifies connections between natural, human, and capital resources				
Demonstrates knowledge of continents and oceans				
Locates continents and oceans on a globe and map				
Shows differences between geographic regions				
Identifies connection between lifestyle and climate region				
Locates places on a globe or world map				
Demonstrates knowledge of cardinal and ordinal directions				
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				

MATH	Developing	Consistent	Competent	Notes
Sorts and classifies objects in numerous ways				
Identifies number bonds up to 20				

MATH (<i>continued</i>)	Developing	Consistent	Competent	Notes
Identifies number bonds up to 10				
Adds and subtracts by 10				
Adds and subtracts by 20				
Uses carrying in addition				
Demonstrates knowledge of place value to 100,000,000				
Writes numbers in expanded form				
Demonstrates knowledge of 2 and 4 times tables				
Demonstrates knowledge of 3 and 6 times tables				
Demonstrates knowledge of 5 and 10 times tables				
Demonstrates knowledge of 7 times table				
Demonstrates knowledge of 8 times table				
Demonstrates knowledge of 9 times table				
Demonstrates knowledge of 11 times table				
Demonstrates knowledge of 12 times table				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes

Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates skills and knowledge related to self-esteem		

Lesson 25

ASSIGNMENT SUMMARY

Language Arts

- Write about a story.
- Describe a community landmark.
- Work with vowel/consonant/e combinations.

Social Studies

- Identify types of economic transactions in the community.
- Draw examples of trade and money transactions.
- Set up a market stand and hold a sale.

Math

- Review place value to nine digits.
- Practice adding with carrying using large numbers.
- Write numbers above 1,000.
- Continue work with times tables, mental math, and story problems.

Science

- Learn about the food chain.
- Draw a food chain diagram.
- Create individual links in a food chain.

Arts & Crafts

- Update the seasonal table.
- Choose two craft or clay projects.

Music

- Learn “Exercise for B-flat” on the recorder.

Health

- Complete an activity about challenging yourself.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Demonstrates familiarity with vowel/consonant/e combinations				
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a descriptive paragraph				
Acts out a story				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

SCIENCE	Developing	Consistent	Competent	Notes
Identifies steps of the food chain				
Demonstrates knowledge of methods of animal locomotion				
Differentiates between cold- and warm-blooded animals				
Differentiates between vertebrates and invertebrates				
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates ability to challenge oneself		

Lesson 26

ASSIGNMENT SUMMARY

Language Arts

- Write about a story.
- Write about people in the community and their roles.
- Work with vowel/consonant/e combinations.

Social Studies

- Explore the concept of scarcity.
- Relate personal experience to story theme.

Math

- Learn how to borrow in subtraction.
- Practice borrowing in subtraction.
- Demonstrate borrowing in picture form.

Science

- Explore the interdependent relationship between humans and animals.
- Research and write about two animals that help humans.
- Learn how humans can help animals.
- Illustrate the interdependence between humans and animals.

Arts & Crafts

- Choose two craft or clay projects.

Music

- Learn “Frere Jacques” on the recorder.

Health

- Complete an activity related to decision-making.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Demonstrates familiarity with vowel/consonant/e combinations				
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Acts out a story				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of decision-making process		

Lesson 27

ASSIGNMENT SUMMARY

Language Arts

- Act out or do a dramatic retelling of a story.
- Write about a story.
- Compare and identify unique aspects of two communities.
- Work with vowel/consonant/e combinations.

Social Studies

- Explore the concept of overabundance.
- Write an imaginary experience related to overabundance.
- Explore decision-making within the context of scarcity.

Math

- Practice borrowing in subtraction.
- Play math games.

Science

- Learn about carnivores, herbivores, and omnivores.
- Explore form and function regarding animal teeth and diet.
- Play an animal guessing game.

Arts & Crafts

- Choose two craft or clay projects.

Music

- Learn “Go in and out the Window” on the recorder.

Health

- Complete an activity related to sharing resources.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a descriptive paragraph				
Writes a comparison				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight

Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of sharing resources		

Lesson 28

ASSIGNMENT SUMMARY

Language Arts

- Draw a picture of a real or imaginary animal.
- Write about a story.
- Work with vowel combinations.
- Play a sound-matching game.

Social Studies

- Explore the concepts of kindness and reciprocity.
- Connect personal experience to the story theme.

Math

- Practice translating story problems into numeric equations.
- Work with mental math.

Science

- Do an experiment with sensory identification.
- Explore the ways animals use their senses.
- Create a chart and record data on animal senses.

Arts & Crafts

- Choose two craft or clay projects.

Music

- Learn “Skip to My Lou” on the recorder.
- Perform a music recital.

Health

- Complete an activity related to electrical safety.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a comparison				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details

Traces a route on a map				
Shows familiarity with map legends				

MATH	Developing	Consistent	Competent	Notes
Sorts and classifies objects in numerous ways				
Solves missing number problems				

MATH (<i>continued</i>)	Developing	Consistent	Competent	Notes
Identifies number bonds up to 20				
Demonstrates borrowing in subtraction				
Demonstrates carrying in addition using multidigit numbers				
Demonstrates knowledge of place value to 100,000,000				
Writes numbers in expanded form				
Demonstrates knowledge of 2 and 4 times tables				
Demonstrates knowledge of 3 and 6 times tables				
Demonstrates knowledge of 5 and 10 times tables				
Demonstrates knowledge of 7 times table				
Demonstrates knowledge of 8 times table				
Demonstrates knowledge of 9 times table				
Demonstrates knowledge of 11 times table				
Demonstrates knowledge of 12 times table				
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Differentiates between carnivores, herbivores, and omnivores				
Relates form to function				
Shows knowledge of the interdependence between humans and animals				
Identifies steps of the food chain				
Demonstrates knowledge of methods of animal locomotion				
Differentiates between cold- and warm-blooded animals				
Differentiates between vertebrates and invertebrates				
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge of electrical safety		

Lesson 29

ASSIGNMENT SUMMARY

Language Arts

- Work on memorization skills.
- Copy and illustrate a poem.
- Write a story summary.
- Write a description.
- Work on common letter combinations.

Social Studies

- Explore the concept of how to treat others.
- Identify examples of story theme in daily life.

Math

- Practice story problems using the four operations.
- Work with adding and subtracting numbers mentally and with movement.
- Work with missing numbers.
- Play math games.

Science

- Observe and record the ways animals communicate.
- Compare human and animal methods of communication.

Arts & Crafts

- Choose two craft or clay projects.

Music

- Learn “Hickory, Dickory, Dock” on the recorder.

Health

- Complete an activity related to vision, posture, and hearing.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes
Writes a rhyming verse				
Demonstrates good posture and diction during recitation				
Writes an opinion paragraph				
Writes a descriptive paragraph				
Writes a comparison				
Writes an original story				
Retells story events in sequence				
Writes a story summary of three or more sentences				
Reads aloud with confidence				
Identifies short and long vowel sounds in words				
Identifies consonant blends in spoken words				
Recognizes a variety of words on sight				
Prints legibly				
Differentiates between uppercase and lowercase letters and uses them consistently				
Draws story scene showing specific details				

LITERATURE	Read aloud by adult	Read by child, in progress	Read by child, completed	Notes

WRITING: SENTENCES AND PARAGRAPHS

Please describe how your child created the written portion of the assignments this week. Use this space to clarify what (if any) assistance was necessary for the final draft.

--

SOCIAL STUDIES	Developing	Consistent	Competent	Notes
Relates story themes to daily life				
Demonstrates familiarity with early forms of money				
Shows knowledge of different types of commerce				
Identifies connections between natural, human, and capital resources				
Demonstrates knowledge of continents and oceans				
Locates continents and oceans on a globe and map				
Locates places on a globe or world map				
Demonstrates knowledge of cardinal and ordinal directions				

SOCIAL STUDIES <i>(continued)</i>	Developing	Consistent	Competent	Notes
Navigates using a compass				
Traces a route on a map				
Shows familiarity with map legends				

MATH	Developing	Consistent	Competent	Notes
Sorts and classifies objects in numerous ways				
Solves missing number problems				
Identifies number bonds up to 20				
Demonstrates borrowing in subtraction				
Demonstrates carrying in addition using multidigit numbers				
Demonstrates knowledge of place value to 100,000,000				
Writes numbers in expanded form				
Demonstrates knowledge of 2 and 4 times tables				
Demonstrates knowledge of 3 and 6 times tables				
Demonstrates knowledge of 5 and 10 times tables				
Demonstrates knowledge of 7 times table				
Demonstrates knowledge of 8 times table				
Demonstrates knowledge of 9 times table				
Demonstrates knowledge of 11 times table				
Demonstrates knowledge of 12 times table				

MATH (<i>continued</i>)	Developing	Consistent	Competent	Notes
Solves problems using times tables				
Solves problems in horizontal and vertical format				
Transfers story problems to numeric equations				
Solves mental math problems using the four processes				
Demonstrates symmetry in form drawing				
Uses math in the context of daily activities				

SCIENCE	Developing	Consistent	Competent	Notes
Records data in an accurate and organized form				
Differentiates between carnivores, herbivores, and omnivores				
Relates form to function				
Shows knowledge of the interdependence between humans and animals				
Identifies steps of the food chain				
Demonstrates knowledge of methods of animal locomotion				
Differentiates between cold- and warm-blooded animals				
Differentiates between vertebrates and invertebrates				
Draws and labels detailed sketches				
Sets up and maintains an experiment over time				
Sorts objects according to varying criteria				
Records data over time				

SCIENCE <i>(continued)</i>	Developing	Consistent	Competent	Notes
Makes comparisons based on data				
Makes predictions based on data				
Demonstrates knowledge of animal habits and habitat				
Demonstrates focused observational skills				
Describes observations				
Records observations in sketch and text form				

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge related to vision, posture, and hearing		

Lesson 30

ASSIGNMENT SUMMARY

Language Arts

- Work on memorization skills.
- Write about favorite things.
- Copy or write an original poem.
- Write a list of ways to communicate.
- Work on common letter combinations.

Social Studies

- Explore the concept of honesty.
- Identify examples of story theme in daily life.

Math

- Practice with times tables.
- Create a number pattern chart.
- Solve practice problems using four processes.

Science

- Work with animal classifications.
- Research and write about a mammal.
- Create an animal poster.

Arts & Crafts

- Decorate pages using form drawings.
- Choose two craft or clay projects.

Music

- Learn “Oh My Darling, Clementine” on the recorder.

Health

- Review activities related to Unit V: Self and Community.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Generates story ideas				
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				
Writes a rhyming verse

Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge related to self and community		

Lesson 31

ASSIGNMENT SUMMARY

Language Arts

- Work on recitation skills.
- Illustrate and copy a poem.
- Tell a silly story and write a story summary.
- List and describe modes of transportation.
- Work on hard and soft C sounds.

Social Studies

- Continue to explore the concept of honesty.
- Play Tall, Tall Tale or True, True Story.

Math

- Explore place value to 12 digits.
- Practice reading and writing large numbers.

- Work with mental math.
- Play math games to practice number bonds.

Science

- Learn about aquatic habitats.
- Research and write about birds and fish.

Arts & Crafts

- Choose two craft projects.

Music

- Learn “Baa, Baa, Black Sheep” on the recorder.

Health

- Complete an activity related to developing stamina.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Generates story ideas				
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				
Writes a rhyming verse				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes

Lesson 32

ASSIGNMENT SUMMARY

Language Arts

- Write about a place to visit.
- Perform a poetry recitation.
- Illustrate and copy a poem.
- Work on hard and soft G sounds.

Social Studies

- Learn about how leaders are chosen.
- Write about the qualities of a good leader.

Math

- Work on mental math.
- Demonstrate number relationships in concrete form.
- Work with concepts of greater than and less than.

Science

- Learn about amphibians and reptiles.
- Draw a diagram of the frog life cycle.
- Research and write about amphibians and reptiles.

Arts & Crafts

- Choose two craft projects.

Music

- Learn “Simple Gifts” on the recorder.

Health

- Complete an activity related to exercising.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Generates story ideas				
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations

Lesson 33

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Write about a craft project.
- Write on any topic of interest.
- Review the vowel and consonant sounds of Y.

Social Studies

- Learn about Rosa Parks and civil rights.
- Draw an illustration related to Rosa Parks.

Math

- Work on identifying odd and even numbers.
- Experiment with the times tables in relation to odd and even numbers.

Science

- Learn about insects and spiders.
- Draw a diagram of the butterfly life cycle.
- Research and write about insects and spiders.

Arts & Crafts

- Make a watercolor painting.
- Choose a craft or clay project.

Music

- Learn “London Bridge Is Falling Down” on the recorder.

Health

- Complete an activity related to yoga or stretching.

Learning Assessment

Use this assessment form to track your child’s progress over time.

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Generates story ideas				
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations				
Acts out a story or does a dramatic retelling				
Memorizes and recites a poem				

LANGUAGE ARTS <i>(continued)</i>	Developing	Consistent	Competent	Notes

Lesson 34

ASSIGNMENT SUMMARY

Language Arts

- Write a story summary.
- Write on any topic of interest.
- Review the OO and OW sounds.

Social Studies

- Learn about Susan B. Anthony and women's rights.
- Draw an illustration related to Susan B. Anthony.

Math

- Work on math skills covered this year.

Science

- Create an animal identification chart.
- Record data on five to ten animals.

Arts & Crafts

- Revisit favorite craft and clay projects.

Music

- Learn "Oh, How Lovely Is the Evening" on the recorder.

Health

- Complete an activity related to the mind/body connection.

Learning Assessment

LANGUAGE ARTS	Developing	Consistent	Competent	Notes
Generates story ideas				
Demonstrates familiarity with common letter combinations				
Demonstrates familiarity with vowel combinations				
Demonstrates familiarity with vowel/consonant/e combinations

ART/CRAFTS/MUSIC/HEALTH	Presented yes/no	Notes
Sculpts objects with clay		
Paints with watercolors		
Creates crafts related to curriculum		
Plays songs on the recorder		
Demonstrates knowledge related to mind/body connection		

Lesson 35

ASSIGNMENT SUMMARY

Language Arts

- Review the EA sounds.
- Complete a language arts year-end assessment.

Social Studies

- Learn about how people contribute to the community.
- Identify ways to contribute to the community.
- Complete a social studies year-end assessment.

Math

- Complete a mathematics year-end assessment.

Science

- Complete a science year-end assessment.

Arts & Crafts

- Paint a picture and copy a favorite poem.

Music

- Continue to play music.
- Prepare for a music recital.

Health

- Complete an activity related to mindfulness exercises.

Second Grade Year-End Learning Assessment

Language Arts Year-End Assessment

Storybook

SKILL	YES/NO	NOTES
Demonstrates oral spelling and word recognition		
Relates story events in sequence		
Writes a story summary		
Creates an original story		
Writes a descriptive paragraph		

SKILL	YES/NO	NOTES
Writes an opinion paragraph		
Writes a poem		
Prints legibly		
Recognizes a variety of words on sight		
Reads aloud with confidence		

Social Studies Year-End Assessment

A Trip around the World

SKILL	YES/NO	NOTES
Locates places on a globe or world map		
Traces a route on a map		
Demonstrates knowledge of navigation skills (maps, cardinal and ordinal directions)		
Shows awareness of geographic regions and related lifestyles		
Demonstrates knowledge of continents and oceans		
Shows connections between natural, human, and capital resources		

Mathematics Year-End Assessment

Multiplication Tables

SKILL	YES/NO	NOTES
Demonstrates carrying in addition		
Demonstrates borrowing in subtraction		
Solves missing number problems		
Does mental math with all four processes		
Identifies number bonds up to 20		
Demonstrates knowledge of place value up to 9 digits		
Writes numbers in expanded form
